Contract No. H106607

Dear Mr. Fry:

Fluor Daniel GTI, BP's consultant for the above referenced site, will be sending soil and groundwater samples to your laboratory for analysis. BP would like to have the bottleware shipped overnight to GTI. BP would also like to have a 24 hour turnaround on these samples. If there are any questions, please call me at 770-641-2497.

Sincerely,

Kristen D. Hancock
